

***We are The Original Recyclers...
We've been GREEN since 1915!***

Clifton, a Professional Upholstering Company that has been doing business like no other for over 93 years.

When you contact us to reupholster or restore any piece of furniture, we recycle most of the elements within the piece, parts such as the wood frame and any other metal parts that we can. We also carry an extensive selection of Recycled Performance Fabrics that you can see at our large showroom at 4506 Harford Road or we can bring them to you.

- **When you reupholster you will SAVE 33% to 50% of the cost of purchasing a new piece**
- **We carry a vast selection of High Performance & Recycled Commercial Fabrics**
- **No foreign imports, labor cost or back orders**
- **Express Service - pick-up and deliver**
